

# Arizona Higher Education Enterprise

Advancing Arizona's competitiveness through the pursuit and achievement of:

- Educational Excellence
- Research Excellence
- Workforce and Community
- Productivity

[https://webapp6.asu.edu/corda/dashboards/ABOR\\_public/main.dashxml](https://webapp6.asu.edu/corda/dashboards/ABOR_public/main.dashxml)

# Measuring Workforce and Community Impact

- Research & Development Expenditures
- Number of Invention Disclosures Transacted
- Number of Patents Issued
- Intellectual Property Income
- Start-up Companies
- Combined State Economic Impact of Arizona University System
- Expenditures Related to Service & Engagement Activities
- Number of Degrees Awarded in High Demand Fields

# Education Means Economic Vitality
